Effect Is Spoiled.

Wotan sang the deadly word out of the upper darkness last night and probably made the fatal gesture, but the hulking Hunding did not collapse, as he was already counted out. So one dramatic effect was spoiled. They managed things better out in 'Frisco, when both men were on their feet at the finish. The ride of the Valkyrs—one of the most thrilling of stage spectucles—was marred by the nervousness of the stage hands in charge of the aerial steeds. The first few horses to gallon across the horizon 'wabbled so badly that the stage director switched off the spot-light and conjured up some extra strata of clouds to hide the unhappy scene. The front setting of the Valkyrs' Rock was quite picturesque, and the lightning flashed throughout the scene with engaging vivacity.

The magic fire scene was all right when it got working, but the curtain was descending before the flames had encircled Brunnhilde's couch.

Mr. Kraus was a better Siegmund wocally than when we heard him five years ago with the Damrosch opera company. He lacks the dramatic fire ot Van Dyck, but he keeps on good terms with the pitch, which is quite marvellous for a Wagnerian tenor. Mr. Blass was an impressive Hunding, and Mr. Van Rooy, by suppressing his tendency to explosive declamation, enhanced the distinity and pathos of the unfortunate Wotan. #### Dr. Shoop's BED SETS-Full Size Rheumatic Cure

Costs Nothing if it Fails.

Any honest person who suffers from Rheu matism is welcome to this offer. For years searched everywhere to find a specific for Rheumatism. For nearly 20 years I worked o this end. At last, in Germany, my searc was rewarded. I found a costly chemica sent, as elopements are only for silly that did not disappoint me as other Rhen-boys and girls, not for one so old as I— inatic prescriptions had disappointed physiclaus everywhere.

I do not mean that Dr. Shoop's Rheu matic Cure can turn bony joints into flesi again. That is impossible. But it will drive from the blood the poison that causes pain and swelling, and then that is the end of Rheumatism. I know this so well that I will furnish for a full month my Rheu-matic Cure on trial. I cannot cure all cases within a month. It would be unreasonable to expect that. But most cases will yield within 30 days. This trial treatment will convince you that Dr. Shoop's Rheumatic Cure is a power against Rheumatism—a

our marriage was only a joke. We went to Smith's Hotel, in Whitestone in April, and there we met Winfield Scott Overion, a lawyer, and Arthur asked me to marry him, and Mr. Overion said that he would die the knot, and he did. "I filed the marriage contract in the County Clerk's office in Jamaga, and to make sure that it was redorded I took it and gave it to Col. Morton in the Mayor's office. "Arthur baredod with me before we got married, and so did a brother of Edward Harrigan, the actor, and now Arthur is going to bring Mr. Harrigan's name into this case, although poor Mr. Harrigan is dead.

Arthur Lent is a strapping young fellow, four years the junior of his wife. Through his counsel he will deny that the is married, and will claim that the ceremony in Smith's Hotel was regarded by him as a joke, Lent is well known in Queens as the crack left half-back of the Warlow football team.
